

CARMEN SPRAGUE
DAY PHOTOGRAPHY TRIP TO
“SIX MILE CYPRESS SLOUGH PRESERVE”
FRIDAY, APRIL 14, 2023

The Six Mile Cypress Slough Preserve is over 3,500 acres of wetland ecosystem with a Boardwalk trail and Interpretive Center. The cypress slough catches and slowly filters rainwater on its way towards Estero Bay. A myriad of animals like otters, alligators, turtles, wading birds, and more live at the Slough year-round. Others, like migrating birds and butterflies, use the Slough as a feeding area or a winter home.

Nothing better than fresh air, sunshine and being surrounded by likeminded explorers!

A picnic lunch will be provided by me, as well as water. Car entry fees will be covered as well. Be prepared to sunscreen, good walking shoes, a chair and of course your camera and an extra battery.

Come along with me on this amazing day trip!

The trip is limited to 12 so sign up early. Carpooling will be needed...2 more drivers Please, or you can yourself and meet there..It's Up to you.
