Gallery Prospectus Descriptions 2022-2023

10-03-22 Florida Life

Artwork should reflect personal perspective of life in Florida, whether coastal or inland, urban environments or in the natural world. This theme is meant to be inclusive and open to artist interpretation.

11-07-22 Express Yourself (Juried show open to ACSWF)

Reveal your thoughts, emotions or feelings through your art! This theme is meant to be inclusive and open to artist interpretation.

12-05-22 Water Wonderland

Water needs to be incorporated into the artwork from a mere drop to an ocean to any way we can express this vital element in our art. This theme is intended to be inclusive and open to artist interpretation.

01-02-23 Got the Blues

“Blue” has many definitions and connotations. The artwork in this show gives meaning to the term “blue”. This theme is intended to be inclusive and open to artist interpretation.

02-06-23 Wild About Wildlife (Juried show open to ACSWF)

What do you think when you hear the word “wildlife”? If you are a nature lover, here’s an opportunity to express your feelings about the nature world in your art. If you think “party animal”, have fun with this wildlife theme. This theme is meant to be inclusive and open to artist interpretation.

03-06-23 People and Places (Juried show open to ACSWF)

It’s a big world out there! Depict people and/or places you know and love. This theme is meant to be inclusive and open to artist interpretation.

04-03-23 Celebrating Color

Artwork will celebrate the Color Wheel in any of its vast variations. This theme is meant to be inclusive and open to artist interpretation.

05-01-23 Looking Up

It’s all in the perspective! What do you see when you look up? Use this perspective in your artwork of any subject. You can see this view lying down, sitting up, standing or from on high, just don’t look down!
