Artist Submissions Instructions

If you are a member of the Cape Coral Art League (CCAL), and are interested in having your gallery show submission(s) posted to the CCAL online store during the period of the show, please submit the following information to the website coordinator, Miriam Frawley, miriam@e-dinerdesign.com, prior to the show opening reception.

1. A quality digital photograph between 500KB and 1.2MB size in jpeg format. The photograph should be cropped to show only the artwork itself, not the frame or other distracting background. 3-D artwork should be photographed against a neutral background. Framed artwork with glass should optimally be photographed prior to framing as reflection from the glass will show in the photo otherwise.
2. Title of the artwork
3. Artwork medium
4. Artwork size without frame
5. Whether the piece is available framed or unframed
6. Price
7. Your name

Artwork received by the opening reception deadline will be posted to the website by the following Monday and available for sale during the remainder of the show. Gallery commission of 30% will be deducted from any sale made through the gallery show online store. Artwork sold online may be picked up from CCAL at the show conclusion or by agreement prior to show conclusion, if necessary. A check will be issued to the artist within two weeks of show conclusion. Online purchases requiring shipment will be the responsibility of the artist.
