Gallery Prospectus Descriptions 2023-2024

Receiving: 10-02-23 People and Places

What did you do over summer vacation? In your art, show the people and places that have been a muse to your creativity. This theme is meant to be inclusive and open to artist interpretation.

Receiving: 11-06-23 Express Yourself (Open to ACSWF)

Reveal your thoughts, emotions or feelings through your art! This theme is meant to be inclusive and open to artist interpretation.

Receiving: 12-04-23 Water Wonderland

Water needs to be incorporated into the artwork from a mere drop to an ocean to any way we can express this vital element in our art. This theme is meant to be inclusive and open to artist interpretation.

Receiving: 01-08-24 Food for Thought

Food is an essential need. Artwork can depict actual food, sources of food, the marketing, serving, or acquisition of this essential need. Let's explore the joy of food. This theme is meant to be inclusive and open to artist interpretation.

Receiving: 02-05-24 Wild About Wildlife (Open to ACSWF)

What do you think when you hear the word "wildlife"? If you are a nature lover, here's an opportunity to express your feelings about the nature world in your art. If you think "party animal", have fun with this wildlife theme. This theme is meant to be inclusive and open to artist interpretation.

Receiving: 03-04-24 Let's Go Green (Open to ACSWF)

Green is a color indeed, but a golf shot can land on the green. We can be green with envy. We go green when we recycle and reuse. Some people love their spring greens, and the greenback is our currency. Green can have many meanings. Show us your artistic interpretation of green. This theme is meant to be inclusive and open to artistic interpretation.

Receiving: 04-01-24 Celebrating Color

Artwork will celebrate the Color Wheel in any of its vast variations. This theme is meant to be inclusive and open to artist interpretation.

Receiving: 05-06-24 Florida Life

Artwork should reflect personal perspective of life in Florida, whether coastal or inland, urban environments or the natural world. Theme is meant to be inclusive and open to artist interpretation.
